## Contribution of BUP Faculty in the Global Leadership Management Conference 2016 held at USA

1. It is indeed a great pride to inform that a faculty of BUP has recently made significant contribution in the Global Leadership Management Conference 2016 held at University of Riverside, California, USA. This International Conference called for papers on the recent progress in the field of Leadership- Management round the Globe. Crossing the barrier of a series of selection procedure, Associate Professor Dr. Ziaur Rahman, psc of BUP got selected among the top 7 speakers of the final day panel which was scheduled on 09 September 2016. In commemoration to grace the honour of being top listed as final day speakers in the Global Leadership Management Conference 2016, National anthem of Bangladesh was played before his presentation to honour the Nation. He delivered a speech on his newly developed idea about "Root Concept of Leadership-Management." Finally, he was awarded with the certificate from the University of Riverside, California, USA.

2. The Faculty has expressed his desire to share his newly developed idea on "Root Concept of Leadership-Management." It may be materialized through organizing presentation/lecture or discussion. This circular also intends to attract desired and potential researchers to pursue their study on 'Leadership-Management' in consultation with the faculty for obtaining MPhil or PhD degree from BUP.
