SEMESTER OUTLINE
PREFACE

- General:** This tentative semester outline is the overall pen picture of the academic curriculum blended with series of learning events from social activities and numerous enjoyable events for an effective learning to be fit in the competitive world. Its core theme is to provide a panoramic view of the course curriculum for the initial mental set up of the students and to give guidelines for teachers for innovative and research oriented learning. This comprehensive semester outline includes a column each for the Day/Date, Class Timing, Name of the Section Location (Classroom Number), Course Code, Topic/Event, Teacher/Faculty Member and Remarks/Discussion Points. The semester outline is also a basic guideline indicating the modes of conduct of the course curriculum. It accommodates all relevant information required for the whole semester including all central events (e.g. sports, games or cultural competitions, National Day(s) celebrations, seminars, cultural programs, etc.). In a nutshell, this semester outline is the ready reckoner to all your questions regarding the program.
- Semester Starting and Finishing Dates:** The semester starts on **04 Jan 2017** and finishes on **25 May 2017**.
- Timing and Conduct of Classes:** The academic week starts on Sunday and finishes on Thursday, making it a five-day working week. Each Section shall have about two classes per day. So, there will be total ten classes per week for each section. Each class shall be of 90 minutes duration, of which 60 minutes shall be dedicated for lecture, and the rest 30 minutes shall be spent for discussions by the students. The mode and conduct of discussions shall be designed by the class-teacher as per the 'Remarks/Discussion' column given in the following pages. Apart from the planned classes, makeup classes and industrial visits will be conducted on Saturday and Sundays as per plan of the Department.
- Names of Courses with Codes:** The names of courses with course code have been stated below:

6. **Conclusion**. This semester outline, with its all information and instructions, welcomes the students to be a proud member of BUP. It sets the tone and describes the general academic environment of the University for the 3rd Semester of the year 2017. In fact, it is a complete guideline for the students for the Semester, so that there is no room for any confusion on anyone's part. It also gives a clear picture of what BUP wants to impart to the students as well as what is expected out of the students. Disciplinary aspects are also mentioned enabling the students to have a prior understanding of the culture and discipline of BUP. It is expected that students shall take all instructions and information by heart and follow the same with utmost sincerity. It is worth mentioning that curriculum of BUP is not only a bundle of strict routines and their observances, but also a place where students shall learn to be a good and knowledgeable citizen with excellent presentation skill. The semester is full of fun and frolics apart from the pure academic curriculum, which the students shall come across as the semester unfolds with passage of time. We hope, gradually, all students shall successfully complete the semester with praiseworthy results. Welcome to BUP once again.
